## NOTICE

### BEFORE THIS POOL IS USED

#### **A CERTIFICATE OF COMPLIANCE MUST BE ISSUED**

**In order to issue a Certificate of Compliance, an inspection must be done and the following must be completed:**

1. **FINAL ELECTRICAL INSPECTION MUST BE APPROVED AND RECORDED IN THE BUILDING DEPARTMENT.**
2. A temporary Pool Enclosure must be in place at the time of construction per Residential Code Appendix G Section G105. A permanent enclosure must be installed per Residential Code Appendix G Section G105.2.2.
3. If doors of a dwelling service access to the pool, they must be equipped with an audible alarm per Residential Code Appendix G Section G105.3(9)(9.2).
4. A water surface alarm must be installed on all pools per Residential Code Appendix G Section G107.
